

Classes at Scioto Gardens:

Please register in advance. Registration deadline 3 days before class.

Vegetable Gardening Basics – Saturday 1:00-2:30 April 25

Free courtesy of Delaware Master Gardeners

Learn the basics of vegetable gardening from Charles Glass, a master gardener and experienced farmer. How and when to plant, the importance of rotating your crops from year to year, and more. Charles will share his failures as well as successes. There's nothing like learning from others mistakes!

Rain Garden Installation - Sunday 1:00-3:30 May 31

\$15/student \$25/couple

Learn how to calculate the size of your rain garden and how to determine the best placement on your property. See how to do an infiltration test to insure your rain garden performs as desired. We'll discuss surface drainage and underground piping for moving water into the garden and for handling excess rainfall. You will also learn about the many great plants that will thrive in a rain garden. Discussion will be followed with hands on installation of a rain garden. Instructor is Amy Dutt of Urban Wild. Amy is a board member of Friends of the Lower Olentangy Watershed (FLOW) and a member of the Central Ohio Rain Garden Initiative (CORGI).

Landscape Design Assistance - Sunday 1:00-3:30 June 7

Solve your personal landscape dilemmas!

\$40/student \$50/couple

Following a brief overview of basic design concepts the class will focus on assisting students solve their own design projects. Bring pictures, measurements, site orientation (N,S,E,W), and rough sketches of your target area. You will learn about a variety of techniques through the discussion of each student's project. Instructor is Melissa White owner of Begonia Park and Co. Melissa is a OSU graduate in Landscape Horticulture with over 30 years experience as a landscape designer. Class size is limited for individual attention.

Discounts on plants & seeds for students.
