

Dear Artist,

You are invited to apply for the  
**6th Annual Gardening & Arts Festival**  
July 21, 2012 9 a.m. - 6 p.m.  
Featuring: Artists & Craftsmen, Live Music,  
Food, and Free Gardening Workshops

Scioto Gardens' Gardening and Arts Festival is gaining in popularity and recognition. We plan to expand to include 40 artists in 2012. This is a juried invitational fine art show in a beautiful outdoor setting. Attendance in 2011 was conservatively estimated to be 700-800 people.

We will strive to select high quality artists showing a wide variety of media. A limited number of entries will be accepted in each media. Our goal is to provide a great sales day for all artists at the event.

- You will provide your own tent, tables, chairs, etc. and sell your art directly.
- You are responsible for your own sales tax and insurance.
- You are encouraged to demonstrate your work if feasible.
- Please help us advertise by inviting people on your mailing list. Let us know how many postcards you need.

We sell a variety of sculptures throughout the nursery sales areas and gardens. Work from several different sculptors is needed. These works can be on display all season from April 1 to October 31. Preferably these works will be for sale on a consignment basis.

We welcome your suggestions, as well as the inquiries of additional artists and musicians who might be interested in participating.
